Trick Flow Cast Aluminum Valve Covers

TFS-51400801, TFS-51411801, TFS-5140B801

Thank you for purchasing Trick Flow Specialties' cast aluminum valve covers. These standard height valve covers are made from durable cast aluminum and feature a polished Trick Flow logo. Trick Flow cast aluminum valve covers are much less prone to flex and distortion than stamped steel covers, which helps prevent those frustrating oil leaks.

Parts list:

- (2) Trick Flow Cast Aluminum Valve Covers
- (12) 1/4-20 x 7/8" cap screws

Recommended Supplies/Tools:

- Permatex # 16B Black Silicone Adhesive Sealant

Optional Components:

- Trick Flow Specialties' # TFS-51400941 Rubber with steel core valve cover gaskets
- Trick Flow Specialties' # TFS-25200801 Hardware kit; includes (12) 1.50" studs and (12) flanged nuts
- Trick Flow Specialties' # TFS-51400800 Billet aluminum oil filler tube w/ cap

Please note that certain mounting kits and bolts can not be used with these cast aluminum valve covers due to fitment issues.

Gradually tighten the valve cover bolts to compress the gasket from the center of the valve cover to the ends (depending on the application) and torque the bolts to 3-5 ft/lbs.

Ultimate Bolt-On Performance® Lifetime Warranty

Trick Flow Specialties cylinder head castings are backed by a lifetime warranty. If a cylinder head casting fails to provide the original purchaser with complete satisfaction, Trick Flow Specialties will repair or replace it free of charge — guaranteed!

Moreover, the valves, valve guides, valve seats, valve job, valve springs, valve spring retainers, valve locks, rocker arm studs, guideplates, and valve stem seals included on assembled Trick Flow Specialties cylinder heads are warranted to the original purchaser to be free from defects in materials and workmanship for a period of two years from the date of purchase. All other Trick Flow Specialties products are warranted to be free from defects in materials and workmanship for a period of 90 days. There are no mileage limitations.

Extent of Warranty

Customers who believe they have a defective product should return it to the dealer from which they purchased or ship it freight prepaid to Trick Flow Specialties along with proof of purchase and a complete description of the problem. If a thorough inspection indicates defects in materials or workmanship, our sole obligation is to repair or replace the product.

This warranty is only if the product is properly installed, subjected to normal use and service, did not fail due to owner negligence or misuse, and has not been altered or modified.

Trick Flow Specialties warranties do not cover any installation or removal costs.

Trick Flow Specialties is not liable for consequential damages for breach of contract of any warranty in excess of the purchase price of the product sold.

PROPOSITION 65 WARNING

This product may contain one or more substances or chemicals known to the state of California to cause cancer, birth defects or other reproductive harm.
